GALT is a 501 (c) (3) non-profit all-volunteer group dedicated to placing all greyhounds—primarily those that competed and trained for racing—and sighthounds into loving homes. GALT facilitates the adoption of these greyhounds/sighthounds by providing kennel services, then foster homes, along with all their medical needs, including spay and neuter, assisting them in the transition to home-life, and educating the public about why the greyhound/sighthound has been a favored companion dog for more than 4,000 years.
